If you would like to help, please check below your area(s) of primary interest and submit this form by mail to the CWA , P.O. Box 8795, The College of William and Mary attention: CWA.

- Teach.** If interested in teaching, CWA will send you a form asking for information about your area of expertise and other pertinent data.
- Lead Activities.** CWA will send you a questionnaire asking for information on the activity you would like to lead.
- Provide Office Support.** The CWA office needs volunteers to help with general office duties such as photocopying, stapling, answering the phone, preparing mailings, etc.

- Host.** Assist with specific semester courses. Training provided.
