

**THE PAMELA HARRIMAN  
FOREIGN SERVICE  
FELLOWSHIPS**

*The Pamela Harriman Foreign Service Fellowships provide a summer internship opportunity at each of three points of service: the United States Embassy in Paris, the United States Embassy in London and the Office of the Secretary of State in Washington, D.C. The Fellowships are awarded in conjunction with the US State Department Summer Intern Program. The next class of Harriman Fellows is to be named in the spring of 2007 for service in summer 2007.*

*“An engaged America is essential to both liberty and stability—for the material well-being of Americans and the rest of the world. For the United States, the exercise of power in this world which we have been instrumental in shaping is not only right; it is a matter of basic national interest. Not every issue demands our involvement—and each involvement must be measured and proportionate. But the guiding principle cannot be act where it is easy, and retreat when it is difficult.”*

*--- Ambassador Harriman, Charter Day, The College of William and Mary,  
Saturday, February 3, 1996*
