Note: during FY01-02, Swem Library's collections were moved within the library to temporary locations in the new addition while the main building was under renovation. During several weeks, materials had to be paged, thus limiting patrons' access for browsing the collections.

Also, during FY02-03 and half of FY03-04, almost all of the circulating collection was housed in compact shelving. Half of the collection was moved to regular shelving in January/February 2004.

Note: In September 2003, the College was closed for 10 days following Hurricane Isabel.
