Hey Brothers,

Sorry for the tardiness of Thursday announcements...

Register for Regionals!!!!

Regionals is NEXT WEEKEND!! The Regionals Committee has been working hard ALL year on this conference and want to see as many Nu Rho brothers as possible attend. Registration is FREE to attend the workshops and you'll get to meet brothers from schools around the state and MD, DC and NC. If you can't get enough of APO after a day of workshops, come to the Banquet! There will be a special appearance from Maggie Katz, the national president. It only costs \$15 for an awesome catered dinner! To commemorate the weekend, you can also buy a t-shirt for \$7! Email Jazmine (jrpina) to register for the conference.

Already registered for Regionals? Don't forget to pay for your T-shirt/banquet by Tuesday's meeting!

Formal is TOMORROW!!

Be on the lookout for an email from Mike!

Want to go to Formal but still need to pay your dues?

Brad will be on the Terrace or in Lodge 1 from 12:30 to 1:30pm or later on Friday. Stop by and pay your dues. Dues are \$45 for active brothers, \$25 for associate. You can still send checks to CSU 4731. If you've emailed him, assume you're fine and able to go to Formal!

Mortar Board Storytelling Festival

As a part of our group's focus on literacy and reading promotion, we're hosting our first annual **Storytelling Festival** on **November 17** in **Lodge 1** from **8-10 p.m.** We're hoping to have students from across campus come together for an evening of competitive storytelling, with great prizes for the winners and raffles throughout the evening for everyone there. The festival will serve as the opening of our fall book drive, and the winners will be invited to present at Green and Gold Christmas in December.

Right now, we're trying to get as many presenters as possible lined up. We're open to individual or group dramatic readings from childhood

favorites or your own material. The event will be focused on stories appropriate for elementary school children, so keep it PG, and each selection shouldn't go past seven minutes in length. Students can register by emailing WMstorytelling@gmail.com with their information.
