

5 November 2007

6:30 – 7:00 Finalize ASC Winter Formal, and talk briefly about Taste of Asia

- rehearsal spaces

- making sure that ppl don't kick us out for rehearsing in Andrews, Millington, etc.
- ruling: can't use either space [mentioned at Presidents' Council meeting - -> must first reserve practice spaces]
- what does this mean? We need space for practices and such! Uber uber impt
- Rashmi and her discussion with Sam Sadler
- some of the language used toward multicultural groups has been somewhat disrespectful, "strong, angry-sounding," "academic building," Janitor's concern about floors being "beat up," accusations of guys with swords/sticks putting holes in walls of Andrew 101 -
  - > language that targets multicultural performances/community
- this has happened to FASA, SASA, CSO
- policies and scheduling office, suggested that we report it on the Bias Reporting System
- Chon and Sam review submissions on the system - -> have not gotten back
- Rashmi will be meeting with them next Thursday
- difficult to schedule practice space in advance
- issue: growth in multicultural community and lack of structure to accommodate and embrace the multicultural community
- how do we deal with this for the time being? SCHEDULE ROOMS/TIMES NOW.
- Adair, Fitwell Studio & Rec Center (standard method of scheduling), Tazewell
- SA Diversity Initiatives
- course of action? Petition?

- Rashmi

- the biggest problem: received solicitation letters and such pretty late
- time conflict between practices and operating hours for businesses
- 

- Good job on Expressions!

- Good job, everyone, on Date Auction!
