

THE INSIDER

Volume 2, Issue 2, October 2006

BGSA Mid-Semester Review

Just like that, it's the end of October. Finals are quickly approaching and we hope that each of you will be well-prepared. However, we want everyone to enjoy each minute prior to their arrival. With that said, this month's issue includes a list of upcoming events which, we hope, will provide a break from studying and completing homework assignments. In addition, this month's Student Profile features First-year law student and Miami native, Kara Nottingham, and our first Faculty/Staff Profile features Associate Provost for Enrollment and proud William and Mary alum, Earl T. Granger III. We hope that everyone has had a good semester thus far and enjoy the October issue of *The Insider*.
