

## Emergency Plan Martin Family Stadium at Albert-Daly Field

Teams and individuals utilizing **Martin Family Stadium at Albert-Daly Field** during intercollegiate events will be covered by the Sports Medicine Staff of the College of William and Mary subject to their availability and arrangements made prior to the event. The Sports Medicine coverage of this venue will be in contact with the Sports Medicine facility at William and Mary Hall via radio in case of an emergency situation.

If using this venue and there is no on-site Sports Medicine staff please be prepared for an emergency with a cellular phone if possible. There are no emergency poles or telephones in this remote location and most nearby buildings are locked. Services may be sought at the Sports Medicine facility (757-221-3407) located across from the Millie West Tennis Facility, on the lower level of William and Mary Hall. From the tennis courts, proceed across Brooks Street down the loading ramp to the outside door of the Sports Medicine facility.

If the Sports Medicine facility is closed, there is an **emergency pole** in the parking lot adjacent to the Dillard Fields, but this is a considerable distance from the tennis courts. The emergency pole is denoted with a blue light on top of the pole. There is a communication intercom connected directly to campus police at the emergency pole; simply press the button and talk into the speaker. You can also call campus police directly at 757-221-4596.
