

# Emergency Plan Barksdale Field

Teams and individuals utilizing the Barksdale Field during intercollegiate events will be covered by the Sports Medicine Staff of the College of William and Mary subject to their availability and arrangements made prior to the event. The Sports Medicine coverage of this venue will be in contact with the Sports Medicine facility at William and Mary Hall via radio in case of an emergency situation.

When using this venue and there is no on-site Sports Medicine staff, services may be sought at the Sports Medicine facility (221-3407) located adjacent to the Busch Tennis Courts, on the lower level of William and Mary Hall. From the tennis courts, proceed across Brooks Street down the loading ramp to the outside door of the Sports Medicine facility.

In event the Sports Medicine facility is closed, there is an emergency pole (EP) at the following locations:

- east corner of Barksdale Field at the intersection of Landrum Drive and Jamestown Road, and
- in front of Phi Beta Kappa Hall west of Barksdale Field.

The emergency pole is denoted with a blue light on top of the pole. There is a communication intercom connected directly to campus police at the emergency pole; simply press the button and talk into the speaker. You can also call 911 on any campus phone; you will reach campus police and they will be able to assist you. Campus phones are located in the offices of the adjacent buildings. When using campus phones, dial "7" before dialing other phone numbers.

## Directions to Williamsburg Community Hospital Emergency Room (259-6005)

Take a right onto Jamestown Road. Follow the road past Phi Beta Kappa Memorial Hall. Take a right onto Campus Drive and follow past the tennis courts. Take a left at the stop sign. This road is still Campus Drive. Follow road around and take first left after William and Mary Hall onto Compton Drive. Follow this road all the way to the end. At the second stop sign, take a right onto Monticello Avenue. The Hospital will be immediately on your right. Take a right into the first driveway and follow around to the right. The Emergency Room will be around on the backside.
