

COLLEGE OF WILLIAM AND MARY
CURRICULUM VITAE STANDARD FORMAT

PERSONAL INFORMATION

1. Name: Vladimir Bolotnikov Date: January, 2007.

Office address: Jones 110, Department of Mathematics,
College of William and Mary,
Williamsburg, VA 23187

Phone: (757) 221-2009

Home address: 116 Elizabeth Harrison Lane, Williamsburg, VA 23188
Phone: (757) 220-0176

2. Position: Associate Professor of Mathematics

EDUCATION

3. M. Sc. (1984), Kharkov State University (Ukraine) and Ph.D. (1996),
Ben-Gurion University of the Negev (Israel).

ACADEMIC POSITIONS

4. Teaching and research positions.

The College of William and Mary:

Associate Professor, February 2005 - Present

Assistant Professor, August 2000 - February 2005

Visiting Assistant Professor, August 1998 - July 2000

The Weizmann Institute of Science (Rehovot, Israel):

Postdoctoral Fellow, July 1996 - October 1998

Ben-Gurion University of the Negev (Beer-Sheva, Israel):

Lecturer, October 1997 - July 1998

University de Marne la Vallee (Paris, France):

Chateaubriand Postdoctoral Fellow, October 1995 - July 1996

Ben-Gurion University of the Negev (Beer-Sheva, Israel):

Instructor, March 1991 - August 1995

5. COURSES TAUGHT

Calculus, multi-variable calculus, discrete mathematics, introductory
set theory, probability, abstract algebra, linear algebra, foundations
of mathematics, elementary analysis, intermediate analysis, complex
analysis, topics in geometry.

6. RESEARCH PAPERS.

See the [list](#) of publications.

7. CONFERENCE TALKS

The annual meeting of Israel Math. Society (Beer--Sheva, 1993).

The VIII-th Haifa matrix conference (Haifa, 1993)

The IV-th International Linear Algebra Society conference (Rotterdam, 1994)

The V-th conference on Schur analysis (Leipzig, 1994)

The III International Congress on Industrial and Applied Mathematics (ICIAM, Hamburg, 1995)

The IX-th Haifa matrix conference (Haifa, 1995)

International workshop on operator theory and applications (IWOTA, Regensburg, 1995)

The VI-th conference on Schur analysis (Leipzig, 1995)

Conference on operator theory in honour of M. Livshits (Beer-Sheva--Rehovot, 1997)

The VII-th conference on Schur analysis (Leipzig, 1997)
The annual meeting of Israel Math. Society (Jerusalem, 1998)
International workshop on operator theory and applications (IWOTA, Groningen, 1998)
Virginia workshop on operator theory and complex analysis (Richmond, VA 1998)
The XVII-th South-Eastern Analysis Meeting (SEAM, Athens, GA 2001)
Fourth SIAM Conference on Linear Algebra in Signals, Systems and Control (Boston, 2001)
Trends in Banach Spaces and Operator Theory (Memphis, 2001)
The XVIII-th SouthEastern Analysis Meeting (SEAM, Chapell Hill, 2002)
Sectional meeting of the AMS (Atlanta, 2002)
The X-th International Linear Algebra Society (ILAS) conference (Auburn, 2002)
Plains Operator Theory Symposium (GPOTS, Charlotte, NC)
International workshop on operator theory and applications (IWOTA-2002, Blacksburg, VA)
The conference on mathematical theory of networks and systems (MTNS-2002, South Bend, IN)
The XIX-th SouthEastern Analysis Meeting (Knoxville TN, 2003)
SIAM meeting on Applied Linear Algebra (Williamsburg VA, 2003)
International Conference on Matrix Analysis and Applications (Fort Lauderdale FL, 2003)
South Eastern Analysis Meeting (Lexington, 2005)
International workshop on operator theory and applications (Storrs, 2005)
Virginia workshop on operator theory and complex analysis (Charlottesville, 2005)
International Conference on Matrix Analysis and Applications (Fort Lauderdale, 2006)

8. AWARDS

1984 Ukrainian Ministry of Higher Education Award
1994 Miphal Hapais Award (Israel)
1995 Chateaubriand Fellowship (France)
1999 PIMS Postdoctoral Fellowship (not used)
2004 Simon Prize for Excellence in Teaching of Mathematics
2005 Alumni Fellowship Award for Excellence in Teaching
2007 Thomas Jefferson Teaching Award
